| Name                      | Institution                            | Role                               |
|---------------------------|--|------------------------------------|
| Dr. Alexander Heifetz     | Argonne National Laboratory            | National Laboratory representative |
| Dr. Yonggang Cui          | Brookhaven National Laboratory         | National Laboratory representative |
| Prof. Goran Ekstrom       | Columbia University                    | Faculty                            |
| Dr. Chris Grubbs          | DOE-NNSA                               | Gov't representative               |
| Mr. Craig Sloan           | DOE-NNSA                               | Gov't representative               |
| Dr. Fredrik Tovesson      | DOE-NNSA                               | Gov't representative               |
| Dr. Jeffrey Rivas         | DOE-NNSA                               | Gov't representative               |
| Dr. Karen Ventura         | DOE-NNSA                               | Gov't representative               |
| Mr. W. Randy Bell         | DOE-NNSA                               | Gov't representative               |
| Dr. Victoria Franques     | DOE-NNSA                               | Gov't representative               |
| Dr. Calvin Shipbaugh      | DTRA                                   | Gov't representative               |
| Prof. Anna Erickson       | Georgia Institute of Technology        | Faculty                            |
| Prof. Steven Biegalski    | Georgia Institute of Technology        | Faculty                            |
| Dr. David L. Chichester   | Idaho National Laboratory              | National Laboratory representative |
| Dr. John Valentine        | Lawrence Berkeley National Laboratory  | National Laboratory representative |
| Dr. Jennifer Matzel       | Lawrence Livermore National Laboratory | National Laboratory representative |
| Dr. Meghan McGarry        | Lawrence Livermore National Laboratory | National Laboratory representative |
| Dr. Robert John Mellors   | Lawrence Livermore National Laboratory | National Laboratory representative |
| Dr. Scot Olivier          | Lawrence Livermore National Laboratory | National Laboratory representative |
| Dr. Chloe Verschuren      | Los Alamos National Laboratory         | National Laboratory representative |
| Dr. Helen Cui             | Los Alamos National Laboratory         | National Laboratory representative |
| Dr. James C. Miller       | Los Alamos National Laboratory         | National Laboratory representative |
| Dr. Paul Mendoza          | Los Alamos National Laboratory         | National Laboratory representative |
| Prof. Areg Danagoulian    | Massachusetts Institute of Technology  | Faculty                            |
| Prof. Eric Alm            | Massachusetts Institute of Technology  | Faculty                            |
| Dr. James Tiedje          | Michigan State University              | Advisory Board Member              |
| Dr. Cleat Zeiler          | Nevada National Security Site          | Gov't representative               |
| Dr. Vladimir Protopopescu | Oak Ridge National Laboratory          | Advisory Board Member              |
| Dr. Jason Nattress        | Oak Ridge National Laboratory          | National Laboratory representative |
| Dr. David F. Williams     | Oak Ridge National Laboratory          | National Laboratory representative |
| Dr. Richard Kouzes        | Pacific Northwest National Laboratory  | Advisory Board Member              |
| Dr. Harry Miley           | Pacific Northwest National Laboratory  | National Laboratory representative |
| Dr. Allen Seifert         | Pacific Northwest National Laboratory  | National Laboratory representative |
| Prof. Marek Flaska        | Pennsylvania State University          | Faculty                            |
| Prof. Robert Goldston     | Princeton Plasma Physics Laboratory    | National Laboratory representative |
| Dr. David Peters          | Sandia National Laboratories           | National Laboratory representative |
| Dr. Kyle Polack           | Sandia National Laboratories           | National Laboratory representative |
| Dr. Elizabeth Hoffman     | Savannah River National Laboratory     | National Laboratory representative |
| Dr. Laura Tovo            | Savannah River National Laboratory     | National Laboratory representative |
| Prof. Sunil S. Chirayath  | Texas A&M University                   | Faculty                            |
| Prof. Adam Arkin          | University of California, Berkeley     | Faculty                            |
| Prof. Andreas Enqvist     | University of Florida                  | Faculty                            |

|                             |   |                                    |
|-----------------------------|---|------------------------------------|
| Prof. Kyle C. Hartig        | University of Florida                               | Faculty                            |
| Prof. Henrietta Dulai       | University of Hawaii                                | Faculty                            |
| Prof. John Gregory Learned  | University of Hawaii                                | Faculty                            |
| Dr. Milton Garces           | University of Hawaii                                | Faculty                            |
| Dr. Jon Coleman             | University of Liverpool                             | Faculty                            |
| Prof. Brian Kiedrowski      | University of Michigan                              | Faculty                            |
| Dr. Shaun Clarke            | University of Michigan                              | Faculty                            |
| Prof. Zhong He              | University of Michigan                              | Faculty                            |
| Prof. Igor Jovanovic        | University of Michigan                              | Faculty                            |
| Prof. Kimberlee J. Kearfott | University of Michigan                              | Faculty                            |
| Prof. Sara Pozzi            | University of Michigan                              | Faculty                            |
| Mr. John Rodriguez          | University of Michigan                              | Project Manager                    |
| Mr. Aaron MacDonald         | University of Michigan                              | Student                            |
| Mr. Caiser Bravo            | University of Michigan                              | Student                            |
| Mr. Christopher Meert       | University of Michigan                              | Student                            |
| Mr. Cameron Miller          | University of Michigan                              | Student                            |
| Mr. Edgar Chung             | University of Michigan                              | Student                            |
| Mr. Eoin Sansevero          | University of Michigan                              | Student                            |
| Mr. Nathan Giha             | University of Michigan                              | Student                            |
| Mr. Jack Thiesen            | University of Michigan                              | Student                            |
| Mr. Levi Welch              | University of Michigan                              | Student                            |
| Mr. Michael Hua             | University of Michigan                              | Student                            |
| Dr. Mark Bourne             | University of Michigan                              | Student                            |
| Ms. Mackenzie Warwick       | University of Michigan                              | Student                            |
| Mr. Niral Shah              | University of Michigan                              | Student                            |
| Mr. Daniel Shy              | University of Michigan                              | Student                            |
| Mr. Stephan Okar            | University of Michigan                              | Student                            |
| Mr. Stefano Marin           | University of Michigan                              | Student                            |
| Mr. Tony Shin               | University of Michigan                              | Student                            |
| Ms. Valerie Nwadeyi         | University of Michigan                              | Student                            |
| Mr. William Steinberger     | University of Michigan                              | Student                            |
| Prof. Christopher Perfetti  | University of New Mexico                            | Faculty                            |
| Prof. Adam Hecht            | University of New Mexico                            | Faculty                            |
| Prof. Anil K. Prinja        | University of New Mexico                            | Faculty                            |
| Mr. Jesus Valencia          | University of New Mexico                            | Student                            |
| Prof. Matthew Malek         | University of Sheffield (UK)                        | Faculty                            |
| Prof. Terry C. Hazen        | University of Tennessee, Knoxville                  | Faculty                            |
| Prof. Paul Wilson           | University of Wisconsin                             | Faculty                            |
| Prof. Patrick Huber         | Virginia Polytechnic Institute and State University | Faculty                            |
| Dr. Matthew Francis         | Y-12 National Security Complex                      | National Laboratory representative |
